

## GRESB X HERA 2022 Awards Submission Form

### Introduction

HERA is collaborating with GRESB, the global ESG benchmark for financial markets, to launch two new award categories, namely, “**Excellence in Real Estate**” and “**Excellence in Infrastructure**”.

### Assessment Criteria

The two awards will use information from the GRESB Assessment results to determine eligible companies, **based on their GRESB Score and GRESB Rating**.

### Your Entry (please tick if appropriate)

<input type="checkbox"/>	<b>Excellence in Real Estate</b> This award honors listed real estate companies, REITs, private property funds, and developers. <i>The winner must first go through the GRESB Real Estate Assessment</i> for evaluation of its ESG performance against at least two out of three Assessment Components – Management and Performance or Management and Development.
<input type="checkbox"/>	<b>Excellence in Infrastructure</b> This award recognizes sustainability best practices for infrastructure funds, companies and assets. <i>The winner must go through the GRESB Infrastructure Fund or Asset Assessment</i> , evaluating the ESG performance against two ESG Components – Management and Performance.
